The Friends is a group of people who are concerned about the risk of further reduction in our local library service & want to encourage greater use of this excellent facility in Papworth Everard. Although our library is not at risk of closure at the moment, the service has already suffered a reduction in staff & opening hours/times & we cannot afford to be complacent.

Library usage is judged by footfall, i.e. the number of visits made using a library card & pin number to borrow books, magazines etc or to use the computers. Calling in does not count.

The Friends want you to know what is available for you at your local library. Did you know you can borrow magazines? There are WHICH magazines for reference purposes as well as an information point with many leaflets for local and not so local events. You can also browse the Cambridge Evening News!

ENGAGE is a computer buddy scheme to help beginner or nervous computer users. The internet is free at the library & is a great source of information so you don't need your own computer to use Google! Sometimes there are speakers and these meetings are advertised by poster on the library windows.

There are two reading groups & Sandra, the librarian emphasises how friendly they are, so please don't feel shy or intimidated about joining as you will be made very welcome.

The library is important for children, providing Storytime sessions & organising holiday activities to encourage reading.

So, if you haven't thought about using the library yet, please give it a try & you will be very welcome.
February is a short, dark, dull month, not much enjoyed by many people. Christmas is a distant memory and spring still seems remote. But, perhaps because I have a February birthday, I’ve always had a soft spot for these dark winter months and I’m keen to defend their importance. They were once full of days of celebration marking the vital agricultural life cycle of the seasons. Religious festivals and agricultural landmarks were so closely intertwined that time and place had an integrity and coherence that is largely absent in our modern western world.

Christmas was traditionally celebrated for 12 days, until Epiphany (6th January) as a way of taming January. The Monday after the Twelfth Day of Christmas was Plough Monday, marking the day when agricultural labourers returned to work for four weeks of ploughing, and also known as St Distaff’s Day, as women started spinning again with distaffs, which held the unspun wool. In some parts of the country Plough Monday was followed by Straw Bear Tuesday – a tradition which still survives in parts of Cambridgeshire and Lincolnshire. A ‘Straw bear’ – a man completely wrapped in straw sheaves – dances around the town in anticipation of the harvest to come. St Hilary’s Day, 13th January, is traditionally the coldest day of the year.

February means ‘cleansing’, and the feast of Candlemas, which falls on 2nd February, celebrates the Purification of the Blessed Virgin Mary, 40 days after Christmas. On this occasion, Mary and Joseph took the baby Jesus to the temple in Jerusalem and they were met there by an elderly man who had waited all his life for this moment of meeting. He described Jesus as ‘a light to lighten all people’, and the image of light has remained in this festival, hence the name of ‘Candlemas’ which was first recorded in 1014, so 1001 years ago!

Until the Enclosure Acts eradicated common land, Candlemas was also the day when Lammas meadows were fenced to keep them free of stock and bring on hay, which was mown at Lammastide (1 August). Snowdrops traditionally appear at Candlemas. 2nd February is also St Blaise’s Day, the patron saint of flocks and wool-carders. Formerly, when the economy was driven by wool production, this would have been a major festival to celebrate and give thanks for fleeces and mutton.

Medieval calendars record that birds started singing again on 12th or 13th February, and then choose their mates on 14 February. St Valentine’s Day is now something of an over-priced marketing gimmick, but it used to be much more of a communal celebration. Traditionally, one’s Valentine was either chosen by lot the night before, or was the first person of the opposite sex met in the morning.

February is also, of course, usually the month of Shrovetide and Lent, which begins on Ash Wednesday. The period immediately preceding the fast of Lent was a time for eating up everything out of larders, hence we had Egg Feast Saturday and Collop Monday (the last day for eating meat, usually bacon and eggs), and we still have Shrove Tuesday, the final chance to cook with eggs, flour and milk – pancake day. Moreover, during Lent itself a wonderful array of alternative treats developed, such as simnel cakes – spiced fruit cakes with 11 balls of marzipan to represent the 11 (good) apostles. St Matthias’ Day, 24th February, was the original leap day and was consequently counted twice every fourth year, making it a day of second chances. And all through the month, the buds are quietly developing and the promise of a fruitful spring lurks hopefully for those who can see it.

February may not be your favourite month of the year but it is a vital time in the seasonal cycle, full of wonder and joy for those who notice. I wish you peace and happiness this month.
I know it seems a long time ago but I must say how much I enjoyed the Christmas celebrations in our village. The Christmas party, carol service, carols around the Peace Tree Christmas Eve with supper and drinks in the Cade and Boxing Day with the hunt meeting were all superb, and now the snowdrops in the Pocket Park are heralding the first signs of spring.

Now down to business, we had another mammoth PC meeting in January with lots achieved and it’s all good news. Firstly you will recall we commissioned a tree survey last year, a contractor has now been appointed and the recommended work will soon be carried out.

Secondly, we reviewed our budget and set the precept (the amount Eltisley Residents pay for the upkeep of the Parish) for next year with only a marginal increase. For example a Band ‘D’ property will go up by 2p!

Thirdly, with the help of grants from Awards For All and SCDC, donations, and the Feast Week monies we were able to place the order for a reorganisation of the play area to include a new pod swing and a tower slide.

Now, as your cheering subsides, more mundane matters! - We objected to the proposed new development West of Cambourne on the basis that no new development should take place before much needed improvements to the infrastructure, and that there should be open green space between developments. Our District Councillors reported that even though we have no gas in our village, loft insulation is available free from British Gas, so anyone requiring insulation should apply now, we heard details of the SCDC Community Awards Scheme, this is designed to recognise anyone who has played an outstanding part in village life, and the PC decided to nominate those who had achieved so much in the revamping and redeveloping of The Cade.

Other items discussed included the Peace Tree lights which, although looked really good this year, on several occasions tripped out and may need replacing, it was generally agreed that the village Christmas party went very well at the Cade and we resolved to book it again for 5th December this year, and Speedwatch will resume when the days are longer, probably March.

Councillor Pettifor reported on progress with the formation of a new Trust to manage the proceeds from the sale of the Institute, and a reply was formulated to an enquiry from the Chairman of Croxton PC regarding the distribution of funds. Remember the full draft minutes are on the Notice Board.

Note that an Open Meeting to discuss this year’s Feast Week and Fête activities will be held at The Cade on 4th February 7.30pm start, and I am proposing a Village Working Party on Saturday 7th February at 10.00am meeting at the Pocket Park to spruce it up for the spring and summer, and if you would like to bring your family we will be checking and cleaning the bird boxes, refreshments provided. Do come along, many hands make light work and the more the merrier!

Our next PC meeting will again be at The Cade on 10 March 2015, 7.15 for 7.30pm.
As always, praise or problems to me at 45 Caxton End or on 01480 880122 or rtp@eplusmail.com or our Clerk Jane Bowd on 01480 468451 or eltisleypc@btconnect.com

THE FRIENDS OF HOLY CROSS CHURCH, YELLING

‘SHOW AND SELL’ CRAFT DAY

Saturday 14th March 2015, 11 am to 3 pm in the Church and Village Hall

Are you a knitter, artist, dressmaker, potter, embroiderer, toymaker, jeweller, woodworker, quilter, jam maker - in other words, do you enjoy arts and crafts?

The Friends of Holy Cross Church are holding a ‘Show and Sell’ Day to give you the chance to let everyone see how crafty you are! We invite you to enter (free of charge) one or two items in an Exhibition of Crafts by Yelling residents and if you would like to sell your wares, stalls will be available to rent at £5 each. If you feel you don’t have enough items to fill a stall, perhaps you’d like to share with another crafter. Stallholders from other villages are very welcome to join in the ‘Sell’ part of this event!

If you would like to enter an item or items in the exhibition please contact Susan Bownass at 47 High Street, Telephone 880014.

To rent a stall please contact Jean Hill at 117 High Street, Telephone 880777.

All money raised will go to the Church Restoration Fund. Our main (and most urgent) project this year is the large cedar tree in the churchyard, which unfortunately is in a dangerous condition and must be felled before it causes serious damage to the church building.

It was great to see so many of you over Christmas and New Year and if you would like to get involved in any way with helping out at The Cade please speak to John, Anne, Martin or any trustee.

In early January, the wall adjacent to the audio equipment was damaged and, after extensive enquiries, we have been unable to ascertain how this incident occurred. If anyone has any information it would be good to hear from you.

It is with regret that we have received a resignation from the committee. Barbara Boddington will be stepping down at our AGM in March. Barbara’s contributions to the life of The Cade have been very much appreciated – from running the bar, sound council at meetings and fantastic refreshments for all our working parties. She will be sadly missed - a very big ‘thank you’ from everyone for all her support and encouragement.

You might think things slow down in the church calendar after Christmas but January seemed to be a busy month at St Pandionia’s! In addition to our regular “Cade Rocks” youth group for 11-15 year olds, we now have a fantastic team running “Kids Rock” for primary aged children on the third Sunday of the month. St Pandionia’s Cafe opened for business as usual on the third Friday of the month and we also hosted the Papworth Team’s 24-7 Prayer Room in the church over the weekend of 23-25th January which offered a quiet space to pray and take some time out at any time of the day or night. Many thanks to our friends in Bourn who helped organise, resource and publicise this event and to our clergy team for all their support.

Looking ahead to this month, Shrove Tuesday is on 17th February and then it is the start of Lent. As usual we will be running a Lent course at the Cade every Monday from 23rd February at 8pm. The course will take place over 5 weeks and is a chance to explore and discuss the Christian faith in a relaxed and friendly environment. All are welcome to one, some or all of the evenings - just turn up on the night.

Finally, there’s news of our 100 club winners from the December draw. 1st prize went to Mrs A Hodgetts, 2nd to Mr B Spencer, 3rd - Mr and Mrs B Cowdery and 4th to Mrs J Kamper. Congratulations to all our winners. If you’d like to take part in this fundraising initiative do contact church treasurer Nichola (880285) for more information.

Remember the church is open, all day, every day, for everyone. Details of service times on the back of the newsletter.

Hinchingbrooke Hospital:
There is much concern regarding the future management of the Hospital under the current contract and Huntingdonshire District Council Representatives had talks with Circle as soon as the position was announced. I must emphasize to everyone that patient care remains the Hospital’s top priority and for the foreseeable future it will operate ‘business as usual’
We will keep your Parish Councils informed.

County Council Boundary Changes:
The Local Government Boundary Commission is seeking a reduction of County Councillors & changes to the Electoral Divisions schedules coming into effect in 2017.
I have made a submission expressing my concern in proposing to combine an urban population with a rural area, each with different needs.
Recommendations will take place in May/July and they intend to publish final recommendations in September 2015.

Yelling Village:
I drove through Yelling recently and saw the traffic speed reduction measures in place – but have to comment much more needs to be done throughout the village and understand the County Council have the work scheduled.

ELTISLEY CHURCHYARD GRASS CUTTING:
Additional volunteers to help cut the churchyard throughout 2015 are required. The task is not onerous as we have a ride-on mower and involves no more than a couple of hours a month. Anyone interested in helping out in any way, please contact John on 880672.
**SPRING CRAFT FAIR ST MICHAEL’S TOSELAND:**
This spring, Toseland PCC are holding a craft fair in St Michael’s in order to boost funds for the church (date to be confirmed).
If you would be interested in being a stallholder, please contact heather.moffat@gmail.com giving details of your particular craft.
Ideally we are looking for local craftspeople selling original products at reasonable prices.

**A FOND WAREWELL TO JACK FAIREY**
Bryan William Fairey – known to everyone as Jack was born in Toseland in 1928, and lived and farmed here all his life. A giant of a man in many ways, and with a big heart and his home always had an open door. An outdoor man by nature but as he became less mobile in recent times his home became undoubtedly the most visited house in the village, such was his natural charm and entertaining warmth.

Jack died on 28th November, and his funeral at the village church on 11th December brought together a larger number of people than could possibly be squeezed into the tightly packed church. His devoted family had ensured that the day would, above all, be a celebration, and as the Revd Mike Booker spoke of his lively antics as a child, his love of the country and wildlife, and his love of family, his gentle good humour came through in every story. Always quick to smile – and make you smile and laugh, it was easy to imagine him looking on with an approving smile and a laugh, both at the church, and later at the Three Horseshoes in Graveley (where he liked to lunch).

Jack has too many family, friends and neighbours to name, but Jack and Peggy had three daughters, Rosemary, Judy and Jayne, with grandchildren, great grandchildren, and now great great grandchildren. Jack was one of 6 children and is brother to Tom and Joan who live opposite. He is sorely missed by all family, friends and neighbours.

Ouse Fen – Making Britain’s Biggest Reedbed

For our February meeting the Huntingdonshire Local Group of the Wildlife Trust will present an illustrated talk on the Ouse Fen RSPB Reserve. This will be held on Wednesday 11th February starting at 7.30pm at Brampton Memorial Centre, Thrapston Road, Brampton, PE28 4TB.

Chris Hudson, who has been the Project Manager for the past seven years, will describe how the RSPB are working with Hanson on an ambitious scheme to transform a working sand and gravel quarry near Needingworth into a vast nature reserve with open water, grassland and, when complete, the biggest reedbed in the UK. He will also tell us how the reserve is already attracting Bitterns, Bearded Tits and other exciting wildlife. This talk will be followed by an evening Guided Walk to the less visited parts of the Reserve on 26th June (places on the walk must be booked – this can be done at the meeting).

Anyone interested in wildlife is most welcome to attend. Booking for the talk is not necessary. Entrance charge £2.50 (accompanied children free). Please contact Tim on 01480 457795 for further information.

A short, prayerful service of

Holy Communion for Ash Wednesday

Wednesday 18th February

at midday

in Bourn Church

Come and prepare for the season of Lent.

Anyone from around the Team or beyond is welcome to attend.

Home Communion

As the weather worsens it may become difficult for you to attend worship but if you would still like to be able to share in the life of your Christian community the Ministry Team would be delighted to visit you in your home. If you would like a cup of tea and chat then we would pleased to meet with you in your home and we are always happy to offer home communion to anyone who would like it.

If you able to leave your house but are having difficulty getting to church, and a lift would make that possible please contact either your churchwardens or member of the Ministry Team (numbers can be found on the back of the pew sheet) and we will try to help.

If you know of anyone who would appreciate a visit please let the Ministry Team know.
